Acer TravelMate 7730G

**ACER EMPOWERING TECHNOLOGY**  
One touch of the Empowering Key and you'll experience all the benefits of your Acer notebook. Easily take control of security, performance, settings and communication.

**ACER BIO-PROTECTION FINGERPRINT READER**  
The Acer Bio-Protection fingerprint solution provides an additional level of system security and control through convenient "finger-protection" of selected documents or applications, eliminating the need to remember passwords and PINs, and reducing the cost of security management.

**ACER DASP**  
DiskAnti-Shock Protection is a technology that safeguards the hard disk against knocks and guarantees an unmatched level of protection.

**ACER QUICKCHARGE**  
Acer QuickCharge increases battery life and reduces recharging time: in one hour it brings the battery to 80% full charge and 100% in just two.

**ACER SIGNALUP**  
This technology strategically positions two PIFA antennas on the notebook's top panel to generate an omni-directional signal sphere for superior wireless reception.

**ACER CRYSTALEYE**  
Easy to use and compatible with internet based video and voice communication services, Acer CrystalEye adds unlimited potential and total simplicity to your video conferencing possibilities.

**ACER GRIDVISTA**  
Easy-to-use software designed to automatically split the screen in up to four separate windows and make the most of available screen space.

## EXPERIENCE THE LATEST AND GREATEST MOBILE TECHNOLOGY

### ACER'S BUSINESS SOLUTIONS

Driven by innovation and guided by our mission of breaking down the barriers between people and technology Acer strengthens its range of mobile solutions for your business with the introduction of a new range of notebooks featuring Intel® Centrino® 2 processor technology and Intel® Centrino® 2 with vPro™ technology that offer the perfect balance between cutting-edge security and industry-leading manageability.

### MANAGEABILITY AND SECURITY FOR YOUR BUSINESS

Acer's all-new range of advanced professional notebooks helps keep your workforce mobile, managed and secure both inside and outside the office. Intel's innovative vPro™ technology offers hardware-assisted remote isolation, diagnostics and repair so you can manage your mobile workforce wirelessly, even if the operating system is unresponsive. With the latest performance-rich technologies, your business just got faster, more efficient and considerably more secure.

### A NEW FAMILY OF MOBILE EFFICIENCY

With a range of stylish notebook solutions that includes 12.1", 14.1", 15.4" and 17" models, each combining Intel's innovative vPro™ technology and the unmistakable Acer qualities of elegance, performance, dual-band quad-mode 802.11a/b/g/Draft-N wireless efficiency and unbeatable security, the Acer TravelMate professional family has the right solution for all your mobile business needs.

### TRAVELMATE 7730G PERFORMANCE, EFFICIENCY AND CONTROL

Acer redefines mobile productivity with the TravelMate 7730G. Driven by the ultra-efficient Intel® Centrino® 2 processor technology and featuring a stunning 17" WXGA+ high-brightness display powered by NVIDIA® GeForce® 9600M GT, the TravelMate 7730G offers performance, efficiency and control in abundance. With Intel® Wireless WiFi network connection, optional 2X Blu-ray Disc™ drive, HDMI™ port, and the cutting-edge communication capabilities of Acer Video Conference, in addition to Acer Bio-Protection fingerprint reader and Enhanced Acer DASP, the TravelMate 7730G is a fully-dockable, ultra-efficient and ultra-secure mobile workstation for power-hungry business users.

### TRAVELMATE 5730 BOOST YOUR PRODUCTIVITY POTENTIAL

The TravelMate 5730 packs the latest Intel® Core™2 Duo processor and the latest mobile Intel® GM45 Express Chipset with integrated 3D graphics into a stylish Magnesium-alloy case for unrivalled productivity. Featuring an optional 2X Blu-ray Disc™ drive, Intel® Wireless WiFi network connection and cutting-edge communication capabilities, the TravelMate 5730 is the epitome of mobile efficiency, while the added security of Acer Bio-Protection fingerprint solution and enhanced Acer Disk Anti-Shock Protection (DASP) means the TravelMate 5730 is fully protected from unauthorized access and from the daily rigors of mobile use.

### TRAVELMATE 6293 ULTRA-COMPACT BUSINESS EFFICIENCY

The TravelMate 6293 redefines the meaning of highly-mobile efficiency by combining the latest Intel® Centrino® 2 processor technology with a wide 12.1" WXGA high-brightness TFT LCD with LED backlight technology and up to 4 GB of system memory, making it ideal for corporate, SMB, and SOHO users looking for ultra-portable, ultra-manageable and ultra-secure performance on the go. The TPM-based Acer Bio-Protection fingerprint solution and enhanced DASP increase data security and hardware damage control, while the Acer Video Conference solution delivers a user-friendly mobile communications package for instant, anywhere conferencing.

### TRAVELMATE 6493G ENERGY-EFFICIENT CONNECTIVITY AND MOBILE SECURITY

The TravelMate 6493G was designed to provide the ultimate in mobile efficiency and security. Powered by the latest Intel® Centrino® 2 with vPro™ technology, the TravelMate 6493G combines the most powerful, energy-efficient processors with the most advanced remote security available which, when paired with the Intel® 802.11a/b/g/Draft-N wireless Wi-Fi® / \*WiMAX™ network capabilities, offers true anywhere connectivity and security. With a 14.1" WXGA high-brightness TFT LCD with white LED backlight technology, Acer Bio-Protection fingerprint reader and Acer Video Conference featuring an integrated Acer Crystal Eye webcam, this fully-dockable notebook provides the very best mobile solution for fast-moving businesses.

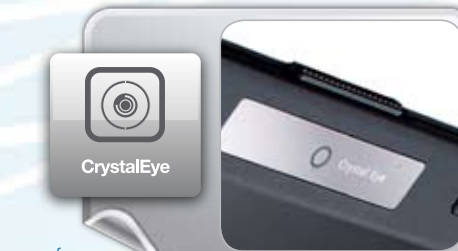

### TRAVELMATE 6593G PRODUCTIVITY, MANAGEABILITY AND SECURITY ON THE MOVE

The TravelMate 6593G takes mobile productivity, manageability and security a step further. Powered by the latest Intel® Centrino® 2 with vPro™ technology and featuring Intel® 802.11a/b/g/Draft-N wireless Wi-Fi® / \*WiMAX™ network capabilities, the TravelMate 6593G is perfect for businesses who depend on anywhere connectivity. With a 15.4" WXGA high-brightness TFT LCD with white LED backlight technology, Acer Bio-Protection fingerprint reader and Acer Video Conference featuring an integrated Acer Crystal Eye webcam, this fully-dockable notebook is the ideal companion for businesses on the move.

Acer Bio-Protection fingerprint reader for unrivalled security
